

July 2009

**Press coverage on the [statement by the European Civil Liberties Network](#) on the new EU five-year plan on Justice and Home Affairs**

**15 April 2009**

The ECLN, a coalition of civil liberties, activist and human rights groups across Europe, publishes a statement outlining the detrimental impact of the EU policy plans on civil liberties and calling on civil society groups and individuals to voice their opinions about the EU's Stockholm programme and work towards a democratic Europe.
